## PN: 62000 - Insulated Barrel Cover

- Heat your barrels faster and keep them warm longer by preventing heat loss with an Insulated Barrel Cover. Our insulated drum covers help increase heating efficiency and reduce operating expenses.
- **Features**
  - Slip fit over 55 gallon drums with handles for easy removal.
  - Made of flame and fire retardant material.
  - Bung flaps with velcro for easy access to drum openings.
  - Can be custom made to suit special applications.
  - Use with our Barrel Heater PN:60000 to keep material in drums from freezing or becoming unusable.

- If you have any questions regarding the operation of this product please feel free to contact Customer Support by telephone: 800.801.7832 -- 847.639.7272 or via email: support@4progressive.com
